Tuesday, March 25, 6:30-8:00PM
at the Pleasant Hill Library

COMMON CORE NIGHT
for 6-12th grade Parents

Find out what
Common Core
really looks like
in the classroom
and get answers
from educators.

- Teachers will be sharing Common Core aligned mini lessons in Language Arts, Math, Science, and Social Studies.
- Parents will have an opportunity to take home curriculum materials to support Common Core learning at home.
- Come experience the exciting changes happening in education, talk to teachers and administrators, and get your questions answered!

Refreshments provided.

Brought to you by
The Pleasant Hill Education Commission in conjunction with
The Pleasant Hill Library, MDUSD and the UC Berkeley History Social Science Project.

Common Core State Standards

The Common Core State Standards provide a consistent, clear understanding of what students are expected to learn, so teachers and parents know what they need to do to help them. The standards are designed to be robust and relevant to the real world, reflecting the knowledge and skills that our young people need for success in college and careers. With American students fully prepared for the future, our communities will be best positioned to compete successfully in the global economy.
