Dear Parents,

On behalf of our entire school community I want to say congratulations to you and your kids! College Park was chosen by the Campaign for Business and Education Excellence (CBEE) as a 2014 Honor Roll recipient!

This campaign is known for their extensive and rigorous analysis of every public school throughout California. College Park stood out among the thousands of schools because of our success to get our students to higher levels of achievement and beyond.

Unlike other awards, the CBEE Honor Roll:
- Includes a measurement of improvement
- The only award given by California business leaders
- Includes graduation and dropout rate data
- No application process is necessary
- Establishes a higher bar of performance than any other award
- Takes into account equity and closing achievement gaps

We did not apply for this award (they found us!) and it is a great honor to have been chosen. We will be featured on the CBEE website located at: http://ca.edresults.org/HonorRoll/, simply click on the blue Scholar Schools button.

Each year, CBEE presents this award to individual schools and to school districts that have excelled in raising student achievement and closing achievement gaps, improving the educational system for all students. Thanks to the hard work of the students and teachers here at College Park High School, we are being recognized. This is a testament to the relentless focus on results that our school has shown over the years and to the hard work of our entire school community.

From all of us here at College Park, I give heartfelt congratulations. Together, we are improving education for all students by sharing our success.

Sincerely,
Paul Gengler
Principal

Mt. Diablo Unified School District • Concord, CA
